Good practice/personal experience:

- **Participate in STSM – main instrument are PhD students**
- **Stay at the hotel recommended by organizers**
- **Always take part in organized dinner**
- **Do not leave before end of the meeting**
- **Be proactive in communication, especially during the meetings**

4

The amount of money is practically unlimited, one just have to take it.

50 YEARS OF RESEARCH NETWORKS

What makes COST unique
